

Lenon Ghana Affiliate Marketer Policy

Lenon Ghana is pleased to present a transformative opportunity for individuals interested in the field of marketing. Our affiliate marketing program entails offering 20% of the revenue generated from a paying school that an affiliate marketer successfully brings to Lenon Ghana. For instance, if a marketer introduces a school paying Ghs100.00 per month, they will receive Ghs20.00, representing the exact 20% share of the Ghs100.00. This arrangement persists as long as the school continues to make payments, with the affiliate marketer receiving 20% of any amount paid by the school for a duration of 20 years, commencing from the year of the school's enrollment.

This policy remains in effect for the affiliate marketer as long as the school maintains a business relationship with Lenon Ghana. In the event that the school ceases to engage with Lenon Ghana, the affiliate marketer will no longer receive any compensation from our organization.

In implementing this policy, Lenon Ghana seeks to ensure that our affiliate marketers are duly rewarded for their sustained efforts over an extended period. We aim to enhance the livelihood and lifestyle of our affiliate marketers by fostering enduring partnerships with Lenon Ghana and the schools they bring onboard, provided these schools continue to avail themselves of Lenon Ghana's services.

Affiliate Marketer Registration

Lenon Ghana welcomes individuals interested in joining our affiliate marketing program to register by providing their first name, last name, email, phone number, region, town, uploaded image, national ID, and payment details (bank account/Momo details).

Affiliate marketers will have access to a dashboard to monitor the income accumulated from schools that are actively paying. They also have the option to request a cash-out at any time and can choose to opt-out of the program whenever they wish.

Lenon Ghana retains the right to terminate the participation of any individual who violates the terms and conditions of this policy.
